

Leaving Your Legacy

Commemorative Gifts

Commemorative Gifts are made to honour the memory of an important person in your life. Gifts can be made for someone who has passed away, to celebrate a special anniversary, birthday, retirement, or to thank someone who has made a difference in your or your family's life.

Shalom Counselling Centre has made it a priority to develop and maintain a Peace Gardens on our property which is open for use to the general public.

As we make plans for future development, part of our design will be to incorporate a place of serenity. These gardens would be a place where Shalom's Friends can commemorate those they would like to hold in their memory,

We would be pleased to discuss the specifics of this gifting opportunity with you.
